

Notice of Meeting to Consider Engineer's Report

Drainage Act, R.S.O.1990, c. D.17

-Version française au verso-

July 29, 2026

RE: Philion Municipal Drain

To: Owners of land affected by the proposed drainage works, road authorities, utility owners and other parties affected

Please take notice that, pursuant to the provisions of the Drainage Act, the Council of the City of Clarence-Rockland will hold a Meeting to Consider the Engineer's Report prepared for the Philion Municipal Drain.

Date: Wednesday, August 19, 2026

Time: 7:00 p.m.

Location: Council Chambers, 415 Lemay Street, Clarence Creek, Ontario

The purpose of this meeting is to consider the Engineer's Report entitled: "Philion Municipal Drain – Engineer's Report under Section 78 of the Drainage Act, Revision 02, dated July 17, 2026", prepared by Monica Shade, P.Eng., of Shade Group Inc. The Report contains recommendations respecting improvements to the Philion Municipal Drain and includes a Schedule of Assessment setting out the estimated costs to be assessed to affected lands, road authorities and utilities.

At this meeting, a summary of the Engineer's Report will be presented. Council will receive comments from affected landowners and interested parties and will determine whether to proceed with the project and provisionally adopt the Engineer's Report.

An owner of land affected by the proposed drainage works is requested to attend this meeting to consider the Engineer's Report filed with the City of Clarence-Rockland.

If you do not attend the Meeting to Consider, Council may proceed in your absence and make a decision regarding the Engineer's Report.

Written comments will be accepted by the Clerk's Office until 4:00 p.m. on August 12, 2026.

If your property is affected by the proposed drainage works or is subject to assessment under the Engineer's Report, you will continue to receive any notices required under the Drainage Act, including notice of any subsequent Court of Revision.

The Engineer's Report is available on the City's Website at the following address: <https://www.clarence-rockland.com/en/node/2244>. The project webpage is intended to serve as a central source of information for landowners, residents, agencies and other interested parties and will be updated as additional project documents become available. Paper copies of the report may be reviewed at City Hall during regular business hours or obtained upon request.

If you require assistance to access the report or you would like to receive a hard copy of the report, please contact the Clerk's Office by email administration@clarence-rockland.com or by phone 613-446-6022, ext. 2300.

Any questions regarding the Engineer's report can be directed to Mr. Éric Leroux, by email lerouxconsultant@gmail.com or by phone 613-223-9824.

Monique Ouellet, Clerk
