Spaces are filled on a first-come first-served basis.

To register for a course, send an email to [infofire@clarence-rockland.com](mailto:infofire@clarence-rockland.com) and request an application form. I copy is also attached.

To avoid delays or disappointment, please respect the due date for applications (last column)

It is the responsibility of each Fire Chief or designate to determine if the student meets the prerequisite to be eligible to apply for the course. If the student has not completed the prerequisite course through the Ontario Fire College or through Grandfathering, but rather through another agency, pre-service training or through in-house training, a copy of the certificate with IFSAC / ProBoard seal must be sent with the application form as proof of prerequisite when submitting application. If the student has no record of the prerequisite and nothing is provided, we will notify you to follow up with the fire department that has submitted the application

All preclass materials are available online at

(<http://moodle.contactnorth.ca/course/view.php?id=51>)

Select "LOG IN AS A GUEST"; password is preclass and then select the course folder for download

Once the course roster has been issued by the Ontario Fire College registrar, we cannot accept changes or substitutions to that list and fire departments will still be invoiced the registration fees indicated above.

For any inquiry regarding these courses or any other information regarding the Clarence-Rockland Regional Training Centre (CRRTC) please contact us at [infofire@clarence-rockland.com](mailto:infofire@clarence-rockland.com) or by phone at 613-446-6022 ext. 2302
