**QUESTION REQUESTING CLARIFICATION**

The following questions were received:

<b>1</b>	<b>Question:</b>	We can try to get the full breakdown as requested here, but at time of closing it is almost impossible, which is why we provided our pricing with the boxes crossed off.
	<b>Reply:</b>	Documentation, such as the Revised Pricing Schedule A, shall be submitted as requested in the tender document.
<b>2</b>	<b>Question:</b>	Item #3 is tricky to price on its own, generally just part of our general conditions. We don't put specific prices on these, we just include it as part of our project management costs overall.
	<b>Reply:</b>	The decision to isolate item#3 of the Pricing Schedule A is to intentionally highlight its importance to the City of Clarence-Rockland.
<b>3</b>	<b>Question:</b>	Items 5-7 would often be a single lump sum (maybe item 7 on its own).
	<b>Reply:</b>	The City of Clarence-Rockland is seeking separate pricing for items 5, 6 and 7. A Revised Pricing Schedule "A" is attached to addendum #2 and its intent is to clarify the format of the unit price for item #6. Please use the Revised Pricing Schedule "A" for your tender submission.
<b>4</b>	<b>Question:</b>	Items 10-14 would be priced as a single lump sum by our steel trades.
	<b>Reply:</b>	The City of Clarence-Rockland is seeking separate pricing for items 10, 11, 12, 13 and 14. Please note that provisional items will be selected at the time of contract award and are dependent on budget availability.
