

STRATEGIC PLANNING WORKSHOPS

The City of Clarence-Rockland has launched its strategic planning process. Workshops are being held to give citizens and the business community an opportunity to provide input into the future of Clarence-Rockland and what they most value.

It is important to get as many people as possible to participate in these workshops.

Spread the word, take action and come meet with us to discuss our future direction.

For those who are not able to attend any of the workshops and have ideas you'd like to share with us, you can email us at: future@clarence-rockland.com

Please check our website at www.clarence-rockland.com, for regular updates on the future of Clarence-Rockland
